## People for Proper Policing in North Wales

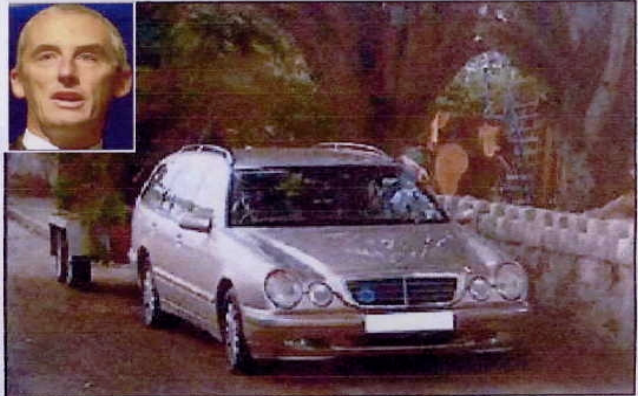

Antisocial policing is Rife and takes many forms.

Below are a few examples that highlight the attitude

'there's one rule for you lot and we do what we like!'

Richard Brunstrom infuriates his neighbours — by parking his estate car and trailer on a pavement for nearly **TWO HOURS**.

The top cop, left the Mercedes outside his home as he pruned trees in his garden.

Cop this ... police chief's car on pavement

The arrogant attitude starts at the 'TOP' exemplified by Richard Brunstrom above and leaving his boat on double lines at Police HQ.
