People for Proper Policing in North Wales

<http://inspectorgadget.wordpress.com/2008/08/14/upside-your-head/>

Just click on this link from a link because you can't be bothered looking at our links and clicking on their links we have picked one out for you ..

This one is for parents and children and social workers and politicians and policeman and vicars and lawyers etc, etc ad infinitum!!

Whilst this is going the Wolfendale's of this world will be probably be organising 24 hour protection for pedophiles like Garry Glitter in case their human rights are put at risk
