A Knowledge of Welsh is desirable.

Detail - We are looking for a vigilant individual to join us in this key role within the local community, patrolling the area, checking vulnerable properties and responding to enquiries. **You will be an integral member of our Neighbourhood Warden Team, working to reduce anti-social behaviour and the fear of crime** whilst promoting community safety. It's about forging good relationships with local people and encouraging greater communication to build a strong sense of community spirit.

To be considered, you should ideally have some experience in a community centred role and be educated to GCSE (A-C) level or equivalent. What's certain is that you'll have a strong belief in building an improved, safer community for all and the communication skills to interact with different people face-to-face.

The PPP comments.....Whilst Brunstrom is playing games with his latest 'boy's toys' horses and our incompetent Police Authority has tacitly approved his Mounted Unit, the rate payers of Flint will be paying for the above position and many more like it such as PCSOs
