The PPP comments ... they apparently never learn but regularly trot out the 'lessons have been learnt' response. The Times reveals that a wanted terrorist is advising them on terrorist issues and his profile is on the Interpol Website. Compare this with the bxxxxxt under **ACPO's comments on the Magee Review under the link above.**

What checks did they carry out BEFORE employing a foreign national from an Islamic country on such a sensitive subject ... the mind boggles. No wonder they jumped on Damian Green who had discovered numerous cases of similarly employing illegal immigrants. This situation was far more significant than the actual Arrest of Mr Green and need s following up rigorously
