3. Have you read any of the following (please tick all that apply)?
  - ☐ North Wales Police Race Equality Scheme
  - ☐ North Wales Police Authority Race Equality Scheme
  - ☐ Cheshire Police Authority Race Equality Scheme
  - ☐ Cheshire Constabulary Race Equality Scheme
4. If you have read any of the above, how could they be improved?
5. How could we encourage more people to read the schemes?
6. Is there a particular race related issue that needs to be addressed within your local community?
7. What could the police do to attract more people from black and ethnic communities to apply for staff or police officer jobs?

If you need more space please add additional sheets.

Thank you for your time completing this questionnaire. It will be used to help develop the Race Equality Schemes of the Police Forces and Police Authorities.

**The PPP comments .... There are very few racially motivated crimes in North Wales (NWPF figures are ) There own most recent survey of over 900 people listed ‘hate’ crime as their lowest priority BUT the force and PA are obsessed with this issue and generate racist attitudes artificially. The CC of Cheshire is equally obsessed whilst similarly neglecting serious issues of crime and vandalism.**
