**The PPP comments ... . We have written a letter of support to David Davis. His recent resignation as MP and shadow minister and his reasons for so doing have received massive media coverage. His action we believe epitomises the kernel of one of our key beliefs :-**

**"The only thing necessary for the triumph of evil is for good men to do nothing."**

David Davis' CV also appeals to us as he has had several real jobs, is highly qualified in science, business and management and experienced in key political roles. His experience with special forces is also highly relevant to the current world situation. He is a self made man who was not born with a silver spoon in his mouth.
