1. The Special Responsibility Allowances proposed for Authority Chair and Vice Chair and Committee Chairs are instead, rather than in addition, to the basic allowance. Where a Member might be entitled to more than one special responsibility allowance (e.g. as Chair of both the Authority and one of its Committees) only the higher allowance would apply.

2. The meetings of the Authority where a Special Responsibility for the Chairman applies are as follows:

Primary Committees Professional Standards  
 Performance Review  
 Audit Committee  
 Human Resources

3. An attendance allowance of £65 per half day is paid to Independent Members of the Standards Committee and Police Appeal Tribunals.
